JUNE BIRTHSTONE & ZODIAC

June's birthstones—pearl, alexandrite, and moonstone—each carry unique meanings. Pearls symbolize purity and wisdom, alexandrite represents balance and joy with its color-changing magic, and moonstone is linked to intuition and new beginnings.

June's zodiac signs are Gemini (May 21 – June 20) and Cancer (June 21 – July 22). Gemini is known for being curious and communicative, while Cancer is nurturing, intuitive, and deeply emotional.

JUNE HOLIDAYS

June is packed with meaningful holidays and lighthearted celebrations. **Flag Day** on June 14 honors the adoption of the U.S. flag in 1777, while **Father's Day**, celebrated on the third Sunday of the month (June 16), is a special time to recognize dads and father figures. **Juneteenth** on June 19 commemorates the end of slavery in the United States and is now a federal holiday. June is also **Alzheimer's & Brain Awareness Month**, encouraging support and education for those affected by cognitive conditions. On the lighter side, food lovers can enjoy **National Doughnut Day** (first Friday in June), **National Iced Tea Day** (June 10), **National Peanut Butter Cookie Day** (June 12), **National Fudge Day** (June 16), and **National Chocolate Pudding Day** (June 26), making it a sweet month in more ways than one.

IMPORTANT NOTICE

Last month, we shared that we lost federal funding, and we're so thankful for the outpouring of concern and support. Some seniors called to cancel their meals, and a few families generously stepped up to help. While we truly appreciate it, removing one person doesn't reduce our costs—we're still preparing and paying for those meals, and your continued participation helps us stretch our resources. To help bridge the gap, we've launched a new campaign to partner with local businesses and restaurants. If you or your family see one of our flyers while out and about, please show your support by thanking the business, spreading the word, or simply choosing to shop or dine there. Every little bit helps!

Please note: Someone must be home for meal delivery. We cannot leave food outside or unattended. After two failed delivery attempts or if we cannot contact you, you will be removed from the delivery list until you call us.

Thank you for your cooperation!

TOP 10 EARLY SIGNS

June is Alzheimer's & Brain Awareness Month

This month is a powerful reminder to take time to learn more about Alzheimer's disease—a condition that affects millions of individuals and families. In this issue, we've shared the top 10 early warning signs. If you or someone you love is experiencing any of these symptoms, don't wait. Talk to your doctor, ask questions, and seek support. Early detection matters, and understanding the signs is the first step toward getting the right care. Let's use this month to educate ourselves, start conversations with our loved ones, and bring more awareness to a disease that touches so many lives.

Answer to this month's puzzle:

Solution:

What did the ocean say to the beach?

Nothing. It just waved.

Why aren't lobsters generous?

Because they're shellfish

Where do birds stay when they go on vacation? Someplace cheep.

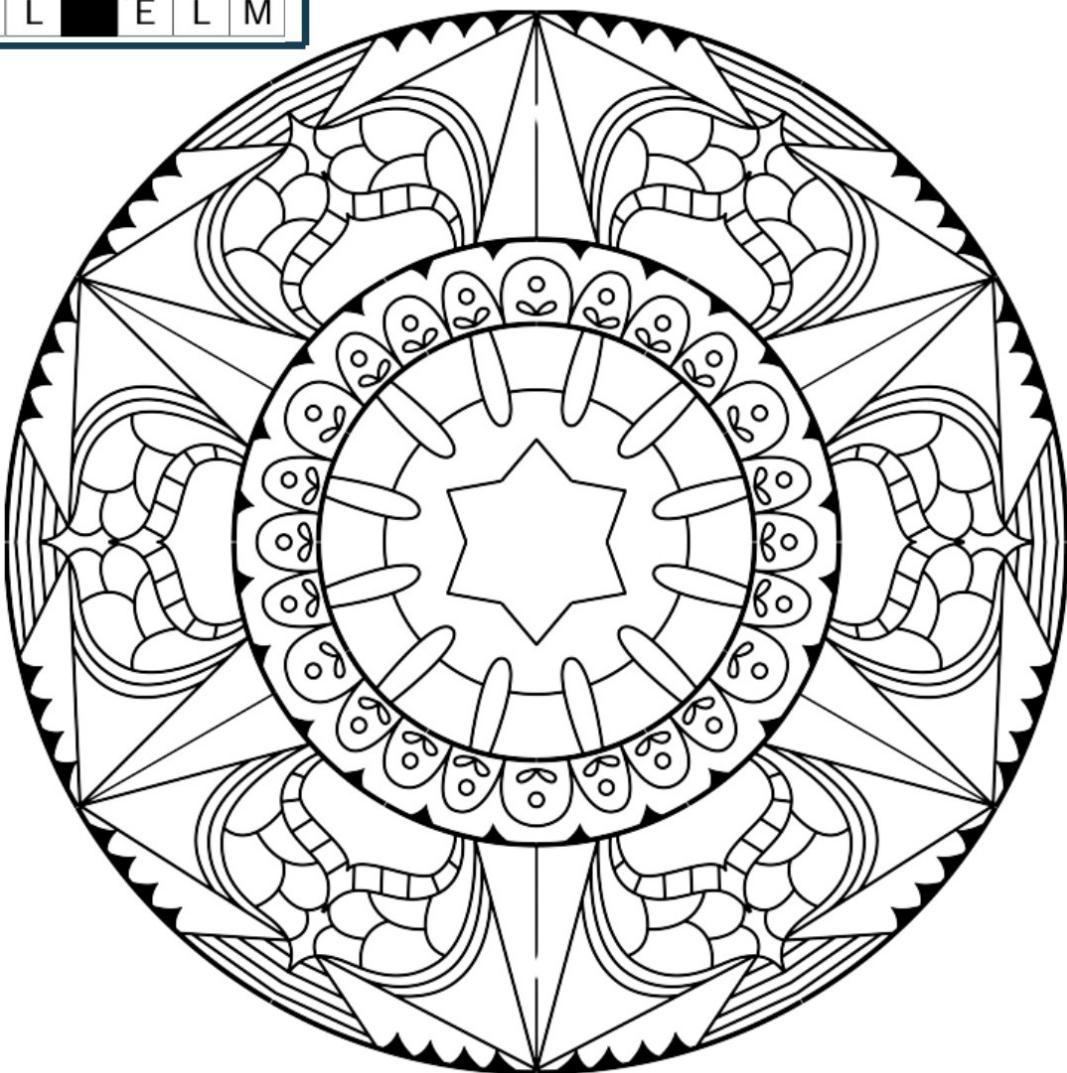

Did you hear about the ice cream truck accident? It crashed on a rocky road.

Did you hear about the dog who wears a swimsuit? Apparently, it looks quite fetching.

Why don't seashells take baths?

Because they wash up on the beach.
